LONG ILLNESS PROVES FATAL TO JOE ROSE, OLD NILES PIONEER

Deceased Was Resident of Township for Fifty-Seven Years

A resident of Niles for the past fifty years, Joseph G. Rose passed away at his home in Niles last Tuesday at the age of sixty-nine. He has been confined to bed with illness for eight months prior to his death.

The deceased was born in Portugal and came to his country at the age of twelve. He was engaged in farming in this community for almost fifty years and was well-known throughout Washington township.

His wife Mrs. J. G. Rose, four daughters and six sons survive to mourn Rose's death. These are Mrs. Helen Alameda, Mrs. John Alves, Mrs. Mary Franco, Agnes Rose, Frank, Joseph, John, Tony, Clarence, and Manuel Rose.

Mass was held in the Corpus Christi church at Niles Friday with Father McCaul officiating. The body was laid to rest in the Holy Ghost cemetery in Centerville. The sympathy of the community has been extended to the bereaved.

IRVINGTON CHURCH MAKES PLANS FOR HOME COMING FETE

Graduates of Old Washington College to Meet In May

Fond memories of early days in Washington township will be awakened when pioneer residents of Irvington and graduates of Washington college located at Irvington many years ago, gather for the Home Coming celebration being sponsored by the Irvington community church in the middle of May.

Although the exact date has not been set, plans are rapidly shaping for the event, according to Reverend John E. Moore pastor of the church. In order that the home coming may result in a real success, Reverend Moore is attempting to get in touch with as many former residents of the community in all sections o fthe state as possible. The date of the affair will be set to meet the convenience of the principal speakers.

The chief address will be delivered by Leland Cutler, president of the San Francisco Chamber of Commerce and a native of Irvington. Dr. Clyde Smith, executive secretary of the San Francisco Presbytery also is scheduled to speak.

The program will open at the church at 11 a. m. A basket picnic lunch will be held on the Anderson estate former site of Washington college.

In Irvington's earliest days it was known as "The Corners" because of the crossing of two roads but later the name was changed to "Washington Corners."

The first steps to obtain a site for Washington college where the celebration will be held were taken in July, 1871, by W. B. Lynch and Albert Lyer. The land was donated by E. L. Beard, who became interested in the project and a building was erected at a cost of about $30,000.

Farming came in for its first share of publicity in early days and stories of big crops an important place in the news of the time.

ARTISTIC EXHIBITS ARE SEEN AT NILES GRAMMAR SCHOOL

Program Held Tuesday Night As Part of Public School Week

An attractive display of all types of artistic school work which would do credit to individuals far over the grammar school age greeted the large audience of parents and other interested people who thronged to the Niles grammar school Tuesday night to enjoy the program held in observance of Public School week and to observe what the school is doing in the way of work.

Basket weaving work which would delight the taste of discriminating connoisseurs, and manual training products suitable for any furniture dealer were on exhibit.

Tea tiles, paint and water color work framed with glass, decorated with tinfoil, freizes and art books, depicting the courtship of Miles Standish, all delighted the eyes of the observers who inspected the exhibits. Pictures showing industrial, geographical

HUGE CROWDS ARE DRAWN TO NILES NURSERY EVENT

Old Adobe Is Guest House For Public Every Sunday

Judging from the throngs which attended during the last month, the "open house" held at the old adobe on the California Nursery Company grounds is proving of great value in advertising Niles and this section of Alameda county. Every Sunday the nursery grounds are thrown open to the public and tea and wafers are served by nursery representatives to the visitors.

The popularity of this event and the great interest it is attracting is evidenced by the large number of tourists, coming from all parts of the state and even other states, visiting every Sunday to witness the beautiful display of flowers and other vegetation at the nursery grounds. The old adobe which has a colorful historical touch also is proving to be a point of intense interest on the part of the visitors. During the annual tulip show held at the nursery during the first two weeks of April, several thousand visitors registered.

Plans are now being made by the nursery people for the 1932 rose show to be held the last two weeks in June, for which a large crowd of visitors is expected. All flower lovers regard this as one of the most important flower shows of the year throughout this section of the state.

Wednesday afternoon (yesterday) the Toyon Branch of the Children's Hospital held their first annual garden day at the old adobe, and spent a pleasant afternoon. All flower lovers in this community were invited to be guests at the affair, for which Mrs. George C. Roeding, Jr., was the hostess of the afternoon. Mrs. Roland Bendel delivered a talk on the subject of Better Homes in connection with the Better Homes Week being held throughout the nation.

Mrs. J. E. Thane and Mrs. J. R. Whipple were visitors in Los Gatos Monday.

NILES CHAMBER HEARS ADDRESS ON PROPOSED OIL CONTROL MEASURE

John W. Chandler Speaks For Independent Oil Producers

Speaking in behalf of the independent oil producers of the state of California, John W. Chandler, member of a pioneer Washington township family, delivered a vigorous address on the Sharkey oil bill before the Niles Chamber of Commerce at its regular Monday noon luncheon.

Attacking the proposed legislation, which will be up as a referendum measure for the voters' approval May 3, from a point of principle, Chandler explained to the Niles civic body members the reasons why he thought the bill should be defeated at the polls.

Under the powers given the commission as provided by the proposed act, Chandler saw danger of establishing a body which might dictate in the interests of the large oil companies and create a monopoly detrimental to public interests.

"The bill is drawn up in such a manner as to be difficult to beat a law" the speaker stated. "Under it an injunction to close your wells cannot be stayed by placing a bond. If the commission decrees a well must close. it must close and you cannot go to court about it later. It means you are tied up until the machinery of the law can act. It has been shown that when a big well is shut up and subsequently

SALVATION ARMY DRIVE BEGINS IN NILES

The annual Salvation Army drive began Monday in the southern Alameda county and will continue throughout this week. A. Pederson is the only authorized subscriber for the organization in this community.

The proceeds of this drive will go chiefly toward caring for wayward girls in Alameda county.

EFFORTS MADE TO PRESERVE WILD FLOWERS

Wild flowers which bloom too late to be shown at the annual Niles Wildflower Display may be shown the following spring, if experiments being performed by the Niles Chamber of Commerce committee are successful. According to J. E. Townsend, general chairman, several systems of preserving the blooms are being tried.

After being sprayed with shellac and collodian, several flowers selected from the display on April 10 and 11 appear as fresh as the day they were picked.

MRS. HARRIET JONES, TOWNSHIP PIONEER, DIES AT RESIDENCE IN NILES

Deceased Was Resident of Community for Over Forty-five Years

Death removed another of Washington township's oldest pioneers last week when Mrs. Harriet Jones died at her home Wednesday night betwen Niles and Mission San Jose. Mrs. Jones had been ill for some time, never having completely recovered from an attack of pneumonia she contracted some months ago. She was seventy-six years of age at the time of her death.

Mrs. Jones was the widow of the late Charles H. Jones, who preceded her in death two years ago. They were a pioneer family of Niles, having lived in the community for over forty-five years.

Four daughters are left to mourn the loss of a loving mother. These are Mrs. Charles Evans, Beatrice, Edith and Harriet Jones, all of Niles. Mrs. Jones also had a large host of friends who mourn her death.

Funeral services were held at the family home Friday afternoon, with Reverend F. V. Jones officiating. During the ceremonial Clarence Oliver, of Piedmont, sang "Face to Face" and "Beautiful Isle of Somewhere."

The body was cremated at an Oakland crematorium.

The community extends its sympathy to the bereaved family.

MAN SUFFERS LOSS OF FINGERS IN NILES YARDS

Tildon Tillet, a transient, had the end of his third and fourth fingers on his right hand torn off when they were caught in the door of a freight car in the Western Pacific yards at Niles last Wednesday morning.

The injured man was treated by Dr. E. C. Grau at Niles and sent to the Highland Hospital in Oakland.

TALKING THE PARTY TO DEATH

WE HOLD no brief for the democratic party; but, enjoying a very independent political position, we are, after all, concerned in what that party does quite as much as what the republican party does—a member of which organization we, at least nominally, are. With this thought in mind, we hope some way may be found to chloroform Al Smith who, in recent weeks, has evinced a desire to wreck the democratic hopes if he, defeated and disqualified leader that he is, cannot again direct the hosts to sure and overwhelming downfall.

Calling those who oppose his candidacy liars and thieves, he has disgusted many who, four years ago, supported him in that vain attempt to win the presidency. By what token of reasoning he imagines he is competent to give advice, much less offer himself for serious consideration as a candidate, is beyond the political mind to conceive. Injecting himself again into the contest, he has all but wrecked the party organization, and failing to win scarcely a single delegate, he still rants on. Cannot something be done by our democratic friends to put a clamp on his mouth, or a stern demand be made by party leaders for the New Yorker to shut up? Hardly. It is the democratic prerogative to talk its chances to death; and before summer comes, the election will be all but over and another four years of "Hoover prosperity" be upon us.

Why Not The Truth?

The attempt to put over the SHARKey OIL CONTROL bill on the people of California and establish a monopoly under control of the major oil corporations should be resented by every voter of the state. From the start it has been a campaign to bunk the public.

The true sponsors of the bill, the major oil corporations, are afraid to come out in the open and fight for their own measure. They are supplying the money but are using dummies to hide their activities.

So-called "Independents," servants and dependents of the major oil corporations, have been called into action. One of these groups, widely advertised as favoring the bill, is headed by the president of one of the major oil corporations, but his name was carefully eliminated from the list of supporters of the SHARKey measure.

It was to be expected that they would make one big blunder, and they have.

The Beans Have Been Spilled

To find sponsors for their measure the major oil corporations went to Texas and got the Governor, former *president of the Humble Oil Company, a major oil corporation subsidiary in that state,* to tell the people of California how they should vote. Announcement was made *by radio on the hour of a major oil corporation of California,* and time for the speech was on the hour of a major oil corporation of New York. How is that for a hook-up? Alfalfa Bill Murray of Oklahoma was in the same hook-up! Is it any wonder that the voters of California should resent this impudent interference in their affairs?

In keeping with their plan of campaign to mislead the public about this measure, the major oil corporations attempted to get it on the ballot as "OIL CONSERVATION." The State Court of Appeals soon upset that bunk and gave the measure its proper label of "OIL CONTROL," and that's what it is, with the control of the industry handed over to the major corporations.

There is No Overproduction of Oil in California!

There is not a drop of oil being wasted in California today. The same major oil corporations which are trying to put over the SHARKey bill in California and shouting about "overproduction," are importing peon-produced oil, duty free, into the United States from Venezuela and Columbia at a rate exceeding by 100,000 barrels daily the entire production from the California fields, and have stolen the market away from California produced oil on the Atlantic seaboard.

Why Not The Truth? The sole purpose of the SHARKey OIL CONTROL is to kill off independent competition, establish a monoply and raise the price of gasoline to 25 cents per gallon or more.

Vote NO on OIL CONTROL, Proposition No. 1, at the election on May 3

WARNING! STOP, LOOK, LISTEN! Great sums of money are now being spent, and far greater sums will be spent by the Major Oil Corporations in every conceivable form of propaganda before election day in the attempt to *put over* the SHARKey bill. Millions for monopoly! Fat salaried executives do not care how they spend their stockholder's money to play their own cunning game. The best guess is that the people of California will not be fooled no matter how great the flood of paid advertising, paid speakers, radio and propaganda! Pleasanton Street Work Is Finished This Week

Angela and Abbey streets in Pleasanton have been graded and are ready to be oiled, according to reports received from the Pleasanton street department last week.

The streets have been widened and the excessive grade cut down. This will do away with the watering of the streets and will prevent an excess of dust, which has been a nuisance to residents in the past.

INSPECTION TOUR OF HOMES TO BE HELD THIS WEEK

Of considerable interest to the people of Washington township is the announcement an extensive tour throughout southern Alameda county will be held Friday, April 29, under the leadership of Miss Mary Barmby, county librarian, Mrs. Maryetta Holeman, home demonstration supervisor of the University of California, and Mrs. A. O. Pimentel, chairman of Alameda county Better Homes committees.

This is an annual tour of inspection of homes, gardens, health centers and libraries throughout this section of the county in connection with Better Homes Week. The public has been cordially invited to join the group at any point during the tour. Basket luncheons will be enjoyed at noon, Friday, at the California nursery at Niles.

ENTERTAINS LEAGUE

Mrs. J. C. Shinn entertained the Dramatic League, of the University of California, at her home in Niles Sunday afternoon. Picnic lunch was enjoyed on the lawn, after which pupils from the Williimson School presented a play written by Mrs. Shinn and Mrs. Ann Isham, teacher at the Williamson School.

reopened from one-third or more of its original potential output is lost. When oil wells are shut down they are ruined. This will hurt the smaller independents."

Chandler denied the bill was an oil conservation act, saying that when the measure was introduced into the legislature it was termed such, but the appelate court at Sacramento changed the name to the Oil Control Bill when the case was brought up by the Independent Pretrolum Association.

According to Chandler, the independent producers are agreed that reasonable oil conservation is a good thing and are not opposed to resonable curtailment and that very little opposition would have been offered had some of the amendments brought up by the independents been considered when the bill was originally drawn up. He said one of the chief reasons for the birth of the measure was because of the large amount of relatively high cost oil stored in the state at the present time which the major oil companies wish to sell at a higher market price than now exists.

Strongly deploring alleged monopolistic trend of the bill the speaker said, "This tendency is wrong in its very principle and should not be tolerated. Competition is the basis of trade and the laws of supply and demand ought to be allowed to govern, not monoplies. It certainly would be much better to subject the industry to governmental regulation as a public utility in the interests of the public rather than let it go through as planned at the present time."

In closing, Chandler urged his listeners to think the bill over carefully before going to the polls May 3.

In appreciation of the selections played by the Washington Union high school band before the Niles Chamber prior to the meeting, it was moved a letter of thanks should be sent to that group. The band numbers were played by the high school students as a tribute to F. V. Jones, who, after many years' of faithful service on the high school board of trustees, is retiring this week.

A. J. Rathbone announced the swimming pool drive is progressing nicely and thanked the Niles chamber for their support. He also urged the members to visit the township schools during Educational Week, which closes tomorrow.

Harvey Braun was appointed membership chairman to arrange for next week's meeting.

"Cold!"

Then she changed to Automatic HOT water

★ Prices of Automatic Gas Water Heaters down 50% compared with 1917

★ Operating costs cut 40%*...thanks to Natural Gas.

★ Easier terms... as low as $4.85 down ...$3.85 per month

THE FAUCET says HOT. Yet the water runs COLD.

Why is this? Because the family can't afford an Automatic Gas Water Heater? Hardly that. They wait for water to heat because they never realize that to do without an Automatic is a waste of time, energy, and money. But architects and builders know about this. They are specifying Automatics for all modern homes.

Bargain on Automatics

You can buy an Automatic Gas Water Heater now for 50% less than you could in 1917. Yet the new, improved Automatics are better built than ever. Terms are easier—as low as $4.85 down and $3.85 a month. A liberal trade-in allowance is being made for your old non-automatic water heater or water-back.

Saves Your Time and Energy

With plenty of hot water, dirt dissolves from 2 to 20 times faster. That *saves energy* with the clothes and dishes. It also *saves time*. Studies have been made which show that an Automatic Gas Water Heater saves from 4 to 6 hours each week.

Install an Automatic Gas Water Heater. It heats the water, stores it in its big tank, and shuts itself off. No gas is wasted keeping the water hot because the boiler is insulated.

See the new Automatics. When you select one you are not buying a luxury but making an investment in one of the most important necessities for happy healthful home life. Then, too, the word HOT on your faucets will mean hot any time of the day or night when you have an Automatic Water Heater.

Allen G. Norris To Confer Degrees

A group from the Centerville Knights of Columbus council were present at the district meeting in Hayward Thursday night, at which delegations from all east bay councils were represented. Stunts were put on by the various councils.

On Sunday, May 1, Allen G. Norris district deputy, will confer approximately forty second and third degrees at the Magellan council in Oakland. Ten will be conferred on Centerville people.

F. T. Dusterberry and Lorin Marriott attended a Bank of America officers club dinner at an Oakland hotel last Thursday evening.

Ladies' Aid Has An Enjoyable Meeting

An enjoyable meeting of the Centerville Ladies' Aid was held last Wednesday at the home of Mr. and Mrs. J. Overacker. About thirty were present to enjoy the affair. Among the guests were Mrs. Neher and Madame Hopper, of San Jose, and Mrs. Christesen, of Russell.

After a delicious luncheon the ladies worked or enjoyed walks about the premises. At about 4 o'clock in the afternoon, everyone was called in and home-made cake and ice cream were served.

Mr. and Mrs. Eric Bergstrom, of San Jose, and former Niles residents, entertained a number of Centerville friends at dinner and bridge Sunday.

SUCCESS FOR SWIMMING POOL PROJECT SEEN AS CAMPAIGN NEARS END

School Teachers Are Playing Important Part In Movement

Washington township citizens will be swimming in their own pool this summer. This is the word emanating from campaign leaders in the township swimming pool drive. "If committees continue to function," said Niles Chairman F. V. Jones, "for the balance of this week as they have so far, ultimate success is practically assured." He pointed out that the percentage of subscriptions obtained by workers reporting to date had been unusually large. Report meetings, which are being held in the high school library, Centerville, every other night, are well attended and enthusiastic. Encouraging reports are coming in from all over the township.

The race in township competition has narrowed to four groups—Niles, Centerville, the high school faculty, and the junior organizations—and is still nip and tuck as to which of the four will be on top at the final report meeting Friday, April 29. At the meeting last night, the faculty committee reported that the teachers of Alvarado, Decoto and Centerville grammar schools, on their own initiative, are contributing to a fund to conduct swimming parties for children who cannot afford to purchase script.

Campaign leaders again are reiterating the fact that the original purchasers of script during this campaign will be able to continue purchasing at half price, and that no additional charge will be made at the pool. The campaign officially closes next Friday evening, April 29, after which no more script will be sold.

WASHINGTON TOSSERS CLOSE LEAGUE SEASON WITH PLEASANTON WIN

Impressive Record Made by Cornhuskers With Ten Victories

"The song is ended but the melody lingers on." The melody in this case is one produced by viciously wielded bats meeting horsehide and one which will always ring sweetly in the ears of Washington Union high school baseball supporters when they recall how consistently it was played by Coach Jess Regli's murderous batsmen as they captured for the second consecutive year the southern Alameda county ball title.

As a fitting climax to league competition, this melodious air which certainly must have, proved so discordant to rival twirlers and fielders throughout the season burst into a loud refrain Friday afternoon at Centerville as the Cornhuskers administered a parting touch by hammering out a 24 to 9 victory over the Amador Dons from Pleasanton. This win and a 11 to 9 victory over Hayward last Tuesday afternoon completed a Washington league drive which registered ten victories and no defeats. With the exception of two games, all rival nines were submerged by overwhelming scores, due to the steady tune of base hits played by the Washington stickers.

Friday's contest was a typical sand lot exhibition of free hitting and scoring. Washington men romped across the home plate at will and every member of the nine collected one or two more blows during the hitting carnage. When the batting orgy was over the Washington diamond pasttimers had gathered a total of twenty-three safeties from the slants of two Pleasanton chuckers, while the Dons found three Cornhuskers moundsmen for thirteen safe blows.

Manuel Fontes brought his high school league playing days to a fitting close Friday by leading the Washington batting attack, pummelling the horsehide for a home run, a three-base jaunt, and two blows good for two-base romps. Coach Regli will find him a hard man to replace in Washington's lineup next year. Fontes' ability to belt the ball will undoubtedly bring him into prominence on other than high school diamonds.

Wilson started on the hillock for Washington and gave way to Amaral after the fifth canto. Maderias was given an opportunity to hurl the final inning.

Washington opened hostilities by chalking up four markers in the first frame. Sekigahama and Foehr walked, and Fontes smashed out a three-bagger. Rose was safe on an error, stole second and tallied the fourth run on Nakagowara's bingle.

Pleasanton came through with a brace of runs in the second on three safe blows and an error.

The Cornhuskers rang up five more in their half of the second. Amaral and Roderick doubled. Faria responded with a single. Fontes laced out a double, Rose hit safely to score Fontes. Rose stole second and scored when first bobbled Nakagowara's hit ball.

Washington added one in the third when Roderick drew a walk, was advanced to second on a past ball, and crossed the plate on Sekigahama's bingle.

Three hits accounted for two Pleasanton counters in the fifth. Washington went on a scoring rampage in this inning, counting seven runs. Rivers got a safe blow, Amaral was safe on an error at third, and Roderick was hit by a pitched ball, populating the sacks. Sekigahama was given a free ticket to first, forcing in a run. Faria and Foehr both hit a safety and Fontes rapped out his second double and scored the last run on a secrifice fly.

In the seventh canto the Dons collected one when Marino walked and came home on a double by A. Silva, but Washington countered by chasing six men across the platter. Gularte came through with a single as did Faria. Fontes sent the ball on a ride over the left field fence to romp around the bags for a home run. Rose and Nakagowara singled, Ikeda walked, and Wilson swung lustily on one which also sailed over the fence for a homer.

Washington obtained its final tally in the eighth when G. Maderias hit safely and scored on successive blows by J. Maderia and A. Maderias.

Pleasanton staged a rally in the ninth to tally four counters on five hits, but the Washington lead was too great for the Dons to threaten.

Hayward Game

The Hayward Farmers threw a scare into the Washington boys in the contest last Tuesday afternoon when they unleashed a scoring attack in the eighth inning which netted five runs after Washington had been leading up to this point by the count of 9 to 1. Washington, however, counted two more in their half of the ninth, while Haywad was retired after chalking up three markers.

Fontes had a perfect day with the stick for the Cornhuskers, hitting two doubles and a single and drawing two free passes in five trips to the plate. Sekigahama secured a double and two singles in four attempts. Wilson and A. Maderias performed on the mound for Washington.

FUNERAL HELD FOR CENTERVILLE WORKER

Funeral services were held from the Botelho chapel in Centerville Wednesday afternoon for Kaspar Furfluh who died Monday morning at the Mowry ranch from a heart ailment. The deceased was employed at the ranch as a milker.

Furfluh was a native of Switzerland, but had resided in this country for forty years. He had been in Centerville for ten years, and was sixty-one years of age at the time of his death.

Reverend Mathes, of Newark, officiated at the funeral services, and interment was made in the Irvington cemetery.

Mrs. Garret Norris attended the flower show in Oakland Sunday.

FORMER RESIDENT OF CENTERVILLE SUCCUMBS

Mrs. S. Hansen, a former resident of Centerville and well-known in this community, died Sunday morning in Oakland at the home of Silas Hansen, her son. Mrs. Hansen was eighty-five years of age at the time of her death.

The Hansen family lived in Centerville many years, where the late S. Hansen conducted a business. At the death of her husband about two years ago, Mrs. Hansen moved to Oakland, where she resided with her son. She had many friends in Centerville who mourn her passing.

Funeral services were held from the Botelho chapel in Centerville Tuesday afternoon, with Reverend William Attwood officiating. The body was interred in the Sunset Mausoleum at Berkeley.

The following children survive: Louise Clough, Anna Smith, Dora Anderson and Silas Hansen.

Last Rites Are Held For Centerville Man

Last rites for Manuel Ennes, 37, of Centerville, was held Thursday of last week at the Holy Ghost church in Centerville, with interment being made in the Centerville cemetery.

Ennes died Tuesday at Stockton. He is survived by his parents, Mr. and Mrs. Theodore Ennes, and his wife and two children.

P.-T.A. UNIT HOLDS CENTERVILLE MEET

The Eastern Alamada county council of the Parent-Teachers Association met at the Centerville grammar school last Thursday from ten o'clock in the morning to three in the afternoon, with Mrs. John A. Haar, of Hayward, presiding.

The morning was occupied in hearing reports by presidents of the various chapters represented. Luncheon was served in the grammar school cafeteria at noon, and in the aftenoon Miss Faust, of the nutrition department of the University of California, delivered an interesting talk on nutrition and diet.

The seventh and eighth grades under the direction of Mrs. Inez Silva sang four class songs.

The Centerville Parent-Teachers Association will entertain the first four grades of the grammar school on May 6, while the remainder of the school will take part in the annual field day at the high school.

ATTEND CONVENTION

A delegation from the Centerville Knights of Pythias lodge attended a district convention at the George Samuels lodge in Oakland Monday night. A banquet was served and several interesting speakers heard.

ROJAS CASE

Further hearing on the case of Cliff Rojas, of Alvarado, charged with assault with a deadly weapon and with disorderly conduct, was held Tuseday afternoon in the Centerville justice court.

WILL ENTERTAIN

The executive board of the Country club are entertaining the outgoing president, Mrs. Raymond Pond, with a luncheon at the home of Mrs. Howard Chadbourne Monday afternoon.

CENTERVILLE NEWS

SCHOOL WEEK IS FETED BY PUPILS AT CENTERVILLE

Debate Team Wins Decision Over Irvington School

A large number attended the program presented by the Centerville grammar school pupils at the school auditorium Monday night in observance of Public School week.

Barton L. Webb, of the Washington Union High school faculty, delivered an address on what is being done for the country by the public schools. The number of pupils attending public schools at present are ten times that of twenty years ago, while the number attending high school is eighteen times as many, according to Webb.

Other highlights on the entertaining program were talks by Stanley Rogers, Esther Jason, Eugene Robinson, Betty Clark, Edwin Gaunt, Olga Gronley, and songs by the girls' chorus.

Many beautiful and artistic exhibits of grammar school work were on the display in the various school rooms throughout this week for visitors. The paintings and other art work were especially attractive, and indicated that some of the pupils have the talent of real artists.

Centerville won the debate against Irvington school last Friday afternoon. W. E. Gravestock, of the Washington Union high school acted as judge. The subject debated was "Resolved That Wilson Was a Greater Man Than Roosevelt." Emanuel and Mary Maciel, Edward Lewis and Robert Salz composed the Centerville team.

The Centerville school boys' baseball nine defeated the Warm Springs team last Thursday by the score of 9 to 7. Eugene Bernard was the big gun for the Centerville boys, hitting a home run with bases loaded in the second inning, and also collecting two other safe blows. Roy Kitashima hurled for Centerville.

Personal Items

Mr. and Mrs. Joe Cardoza and family attended the Holy Ghost festival in Alvarado, Sunday.

Mr. and Mrs. Herman Duarte and daughter, of Martinez, visited at the home of Mr. and Mrs. Frank Duarte, Sunday.

Mr. and Mrs. Owen Swainson enjoyed dinner with old time friends, Mr. and Mrs. Clarence Falcomer, in San Francisco, Sunday.

Eugene Justus and Roscoe Farmer were Berkeley and San Francisco visitors Sunday.

Mr. and Mrs. Paul Knutson and daughter, of Pleasanton, were visitors at the home of Mr. and Mrs. J. D. Ferry Sunday.

Mr. and Mrs. Tony Miller attended a birthday party in Oakland, Sunday.

Mr. and Mrs. R. R. Butterfield attended the Oakland Garden Show, Sunday.

Misses Winifred and Eleanor Fournier were visitors at the home of Mr. and Mrs. M. L. Fournier, Sunday.

Mr. and Mrs. Ray Peterson and family and Mr. and Mrs. J. Antone visited the San Francisco airport Sunday, and also the navy fleet.

F. V. Jones was a Livermore business visitor Thursday of last week.

HIGH SCHOOL NOTES

The student council of the senior class held their regular meeting at the home of Mr. and Mrs. A. J. Rathbone Monday night.

Thursday night (tonight) the girls of the home economics class under the supervision of Mrs. Joeephine Morris, faculty member, will receive their final test in cooking when they prepare and serve a full course dinner to members of the high school board of trustees and their wives. The dinner is to be given in honor of F. V. Jones who is retiring from the board this week.

The annual junior prom held Friday night in the high school gymnasium was acclaimed as one of the most enjoyable in the history of the affair. The gymnasium was artistically bedecked with appropriate colors, and everyone enjoyed dancing to the entertaining music provided by the high school orchestra.

The high school debate team won the league championship cup this year for their forensic ability, gaining one more point than Emeryville. The first round of debate competition was completed during the fall semester, while the second was finished recently. The schools finished in the following order: Washington, seven points; Emeryville, six; Hayward, five; and Livermore, four. W. E. Gravestock is the high school debate coach.

"Meet the Prince," a three-act comedy by A. A. Milne has been selected as the annual senior play to be presented at the high school May 26. Practice sessions are now progressing rapidly under the direction of Miss Aubry Nicely, dramatics coach.

In selection of the cast, Miss Nicely is of the opinion that dramatic talent galore has been obtained and looks forward to a huge success for the presenta-

and other scenes in the form of moving picture reels were especially pleasing.

The examples of sewing class work revealed there are real seamstresses in the school.

An outstanding exhibit was the display of fine penmanship which would have have made Palmer himself sit up and take notice had he been privileged to witness the display. The Niles school pupils are ranked among the highest in the county in this art.

A highlight of the program presented for the entertainment of visitors was a Mother Goose play, admirably rendered by primary grade pupils. Several girls of the seventh grade sang songs.

The program was concluded with an address by E. D. Bristow on the growth of public schools and what they have accomplished for the community.

The grammar school was open all week to visitors in order that they might observe the exhibits of school work.

DANCING RECITAL TO BE STAGED FOR SWIM POOL FUND

Williamson School Pupils to Entertain at Niles, May 21

Feeling that every possible effort should be made to make the swimming pool project a success, the Williamson School will donate the proceeds of its dancing recital to be given at the Memorial Hall on May 21 to the swimming pool fund, the Toyon Branch of the Children's Hospital having very generously offered to withdraw in favor of the pool.

The offer to give proceeds of the entertainment to the Children's Hospital was made before the swimming pool program was started by the Lions' Club. Since the campaign for the pool has been launched, however, both the school and Toyan Branch feel that whatever money is made at the entertainment should be given to the pool fund.

The Niles Legion Auxiliary also is cooperating to make the event a financial success and offered to sell tickets. During the evening they will also offer for sale their poppies for the benefit of the disabled veterans, the date of the Niles sale having been advanced a week in order that the poppies might be disposed of at the dancing recital.

DECOTO

Decoto May Get Police Protection

Prospects of establishing a police patrol service in Decoto was the topic of discussion at the last meeting of the Decoto Chamber of Commerce. Larry Gross, representing an Oakland patrol firm, was present and spoke to the gathering.

Joseph Haines, of Berkeley, former resident, with Mrs. Haines, spent the week-end visiting with his sister, Mrs. Mary Williams, of Decoto.

***

Cleanup Week is being carried out in Decoto this week.

Mrs. Nell Myers is chairman of arrangements for the Auxiliary.

Mrs. James R. Whipple will act as chairman of patronesses for the evening and will be assisted by several members of Toyon Branch and the Legion Auxiliary.

The affair will close with the last dance of the season for the evening dancing assembly of the Williamson School, guests present being invited to stay. During this time light refreshments will be served.

It is hoped that all advocates of the swimming pool project will help to make the affair a success in order that the proceeds may swell the fund as much as possible.

Sixth Grade Pupil Writes Essay On Better Homes

By WINIFRED BENDEL
(Sixth Grade)

(Editor's note: Following is the second of the essays written by pupils of the Niles grammar school on the subject of Better Homes.)

The idea of the Better Homes Campaign is to help families to help themselves, and to help them to live better under more healthful and sanitary conditions than they are living for the same amount of money.

First let us improve the interior of our home, and make it more attractive. It might be well to refer to the latest catalogues on household furnishings, in order to get the newest and most convenient methods of improvments.

Good looks for your home library are wonderful, too. One can stay home at night and read around the open fire. Some books are filled with lovely thoughts, while others teach us how to make our home life more complete.

Next we must consider our outside surroundings. Use a little paint to improve the appearance of your home.

To me gardening is one of the most important things about a home. Flowers give color to a garden, and also brighten the interior of a home.

Vegetable gardens are a pleasure to grow, because you can eat things you have grown yourself. You can buy seeds for very little money, and have vegetables all summer and winter.

All these little things make better homes and citizens of Americans, and this is the whole idea back of why we have Better Homes Week.

No friend quite like it—the farm telephone

THERE is no friend quite like the telephone when emergency threatens, whether fire, injury, sickness, or thieves. But it is also valuable in the day-to-day duties of life—running errands to town, bringing spare parts when a machine is broken, calling neighbors and friends, finding where to buy or sell for the best price.

The modern farm home has a telephone.

receiving the support of practically every community organization in Washington township.

The movement is entirely along the lines of free-will donations. It will not add a cent to the county or school tax. That is right. In a period like this, no official is justified in adding to a burden already difficult to carry.

A swimming pool where your boy and girl can enjoy aquatic sports right here at home is something worth while. We older people can enjoy with them a pleasure that seems to have no counterpart in summer recreation. Nature, for some inexplicable reason, draws us to the rivers, the creeks, the ponds and the ocean in the spring, the summer and the fall seasons. The small boy without a place to swim in summer is a sorry lad indeed. Modern congestion, and the diversion of river and creek water for irrigation, make it necessary for us to construct artificial places in which to swim and bathe. But a swimming hole we must have. It may not be like James Whitcomb Riley's, but a masonry one will suffice when nature fails us.

Let us, then, all good people of Washington township, do a little, anyway, toward this enterprise. A few dollars from each of us will make the project a realization, and bring untold happiness to the youth of the district, and many who are along in years but young in spirit.

UP AT FIVE A. M.

TIMING his decision on the Mooney case with his hurried departure east to attend a convention of governors, Rolph, at the last minute, marshalled enough courage to tell publicly what the public privately believed all along to be his opinion in the matter—no pardon! As the Township Register foretold, Rolph denied clemency "upon the recommendation of his legal advisers," chief among whom was Mat Sullivan, who, in his bitterness toward the noted inmate of San Quentin, saw fit to go far beyond the realms of good taste and fired a tirade of abuse at Fremont Older, nationally known editor and humanitarian. Sullivan even went so far as to take a fling at a boy violinist who had become fond of Mooney, and referred to him and others as misguided sentimentalists.

The writer was aware that the governor was supposed to pass upon this much deferred question on the afternoon of April 21, but, judging from his past conduct we thought he would again delay the matter, while calling up other legal reserves to share with him a responsibility that he little cared to shoulder. But with a bravado that men of the governor's calibre often show, he did come to the scratch and blast the hopes, perhaps forever, of Mooney and those hundreds of thousands—yes millions—who believe him innocent.

In one final gesture of heroics, the governor gave out that he arose on the morning of last Thursday at five that he might study the report of Sullivan, intimating, by such triviality, that even on the day when he rendered his decision, his mind was still open to new angles of the case. Such a childish story casts a slur on the intelligence of California citizens and but proves again that the present governor has not grasped the seriousness of his duties, nor ascended to the dignity of his office and lacks understanding of statesmanship.

Irvington Register

Irvington Church To Fete Mothers's Day

Mothers' Day will be observed on May 8, at the Irvington community church, a week from Sunday, instead of this coming Sunday as originally planned. The topic for next Sunday will be, "What Happened at Pentecost?"

The date for Irvington Church's Home Coming Day will be announced in the paper next week. The main exercises will be held at the church on Sunday morning, at the regular church hour. At one o'clock the basket picnic will be held on the Anderson Estate. The picnic will be followed by impromptu talks from various old friends and former residents of the church and the community. The purpose of this picnic is not to furnish an elaborate program but provide an opportunity for fellowship. The program at the church and the basket picnic to which each is asked to bring his own lunch, are open to the public and a cordial invitation is extended to all. Both the service and the picnic are under the auspices of the church.

IMPROVES HOME

Herman Walshe has had extensive repairs made on his Irvington residence. New floors, repapering and painting are some of the improvements made.

BRIDGE PARTY

Mrs. C. A. Lutz entertained a group of ladies at an afternoon bridge party last Thursday. The next gathering will be with Miss Mack next Thursday.

Mrs. M. Beardsley spent a day last week visiting friends in San Francisco.

Pleasanton Farm Home Holds Good Food Sale

The Pleasanton Farm Home Department held a very successful business meeting followed by a food sale at the Odd Fellows' hall recently.

Mrs. Marietta Holman, of Hayward, was present. She gave a thorough demonstration on the hanging and arranging of curtains and drapes.

A large crowd was present at the session.

ORCHESTRA PUPILS PLAY

The stringed orchestra composed of the pupils of Professor P. A. Josephs were guests of the Niles church on Sunday, April 24, at the morning worship service. They delighted the audience by their rendition of "Air," by J. S. Bach. The solo part was interpreted by Professor Josephs on the violin, and the group was accompanied at the piano by the church pianist, Miss Estelle Martenstein.

ENDEAVOR TREATS

The Christian Endeavor meeting of April 17 was planned and presided over by a committee composed of the Misses Estelle Martenstein and Irma Hodges, and Charles Myrick. The subject for the evening discussion centered about the question of "Life Investments." The social hour proved a pleasant diversion, and was happily closed with refreshing punch and dainty cookies. The next meeting has been tentatively announced in the form of a swim and picnic. If any members expect to bring guests be sure to notify the president of the society, Jack Townsend.

NOTES BY THE WAY

Rev. and Mrs. E. G. Brinkmeyer and son called on the Rev. M. C. Dorsett family of the Mayfield Methodist church in Palo Alto on Wednesday, April 13, and renewed the old acquaintances which were once closely maintained back in Wichita, Kansas, where Mr. and Mrs. Brinkmeyer and Mr. and Mrs. Dorsett were engaged in religous work together before coming to California to study. The Reverend Dorsett is studying at Stanford University.

A number of the ladies from the Niles church attended the Women's Federation meeting which was held at the Congregational church in Campbell last Thursday. Among the people on the program was Dr. H. H. Gill, superintendent of the Northern California Congregational Conference, and once a pastor of the Niles church.

The Niles church was represented at the spring meeting of the Bay Association of Congregational churches on Tuesday, April 26. The meeting was held in the Alameda Congregational church. It may be noted that the pastor of this church was recently responsible for the partial clean-up of the city government of Alameda.

WANTED—A sizable congregation of local people who claim to be Christians but are making little effort to express their faith. Apply at the Niles Congregational church, or any other church for that matter, every Sunday morning at 11 o'clock.

A PRAYER

Lord, let not my religion be
A thing of selfish ecstasy;
But something warm with tender care
And fellowship which I can share.
Let me not walk the other side
Of trouble's highway long and wide;
Make me a Good Samaritan,
And neighbor unto every man.
—Clarence M. Burkholder.

Sunol Man Made Pleasanton Officer

George Richards, principal of the Sunol grammar school, was appointed assistant fire chief for the town of Pleasanton at a meeting of the town council last Monday night.

Richards has been for some time a deputy fire warden of Alameda county. The new appointment comes as a supplement to that office. His appointment as fire warden came about through his ability to pilot an airplane. His new office gives him an officer's privilege in driving his car, privileges which the warden's status did not include, and which he may find necessary in times of emergency.

Pleasanton Has Horses Entered in Oakland Show

Horsemanship Exhibition To Be Held at Mills College Tomorrow Afternoon

Several Pleasanton horses were entered for the horse show at Mills College, in Oakland last Saturday. Numerous highly trained trick horses were seen in many stunts and exhibitions at the performances.

The Castlewood Acadamy entered a horse which has been trained to do high jumping. Muggs George, of Pleasanton, rode this horse in the show.

Ben York, of Pleasanton, entered a horse which gave an exhibition of polo. Mrs. Charlotte Anderson, of the Charmeran Horse Farm on the Dublin road, entered a highly schooled horse. This animal has been trained to do many tricks.

All these horses have been trained in the neighborhood of Pleasanton. It is stated by those who have seen the horses perform that the Pleasanton animals give good accounts of themselves in their trick work.

OPERA TICKETS PLACED ON SALE IN PLEASANTON

Junior Chamber of Commerce To Handle Publicity for Stage Presentation

Reserved seat tickets for the "Chimes of Normandy", an operetta to be presented by the evening choral class of the Amador Valley high school on the evenings of May 5 and 9, will go on sale in Pleasanton on Tuesday, May 3, at noon.

The Pleasanton Junior Chamber of Commerce has volunteered to conduct the advertising campaign for the operetta. Elaborate means of advertising the performance are being worked out by the Juniors.

Those who are on the advertising committee are Sam Glassey, John Ruppel, Frank Trimingham, and Peter Koopman.

Rapid progress is being made in perfecting the principal parts for the "Chimes of Normandy". Those taking part in the performance are the grown-up folk of Pleasanton.

New scenery is being prepared for the production. The costuming is to be kept to the traditional sixteenth century styles.

The story is to be given in the original translation from the French version, and the quaintness of the old English is an attractive feature.

The music is also the original scoring. This revival of the operetta, which was so popular during the eighteenth century, will bring pleasant memories to those who have had the opportunity to hear and see this delightfully bright and tuneful work in the past.

Tassajara Girl Chosen Queen of Holy Ghost

Miss Emma Mattos, of Tassajara, will reign as queen of the annual Holy Ghost celebration to be held in Pleasanton by the I. D. E. S. lodge on Saturday and Sunday, May 28 and 29, according to Frank Terra, chairman of the arrangements committee.

Miss Mattos is the daughter of Mr. and Mrs. John Mattos, of Tassajara.

The girls who will attend her are as follows:

Maids of honor—Nadine Landon and Aldline Safreno.

Bar girls—Eleanor Vargas, of San Ramon; Helen Freitas, of Tassajara; and Lorraine Rose and Rose Saramento, of Pleasanton.

Flower girl—Vivian Mendoza, of Sunol.

The parade will consist of a band, three drill teams, a drum corps, and a number of queens from the nearby towns.

GIRL LEADERS

The American ideal as it has come down to us from the fathers is a lofty one. Washington, Franklin and Jefferson revealed the same spirit in a later day. Courage in the face of difficulties, loyalty to the truth, sympathy and courtesy, industry and reverence to God and to one's fellow men. These have been American ideals since the time when the solitary Mayflower crossed the sea. —Fanny E. Coe

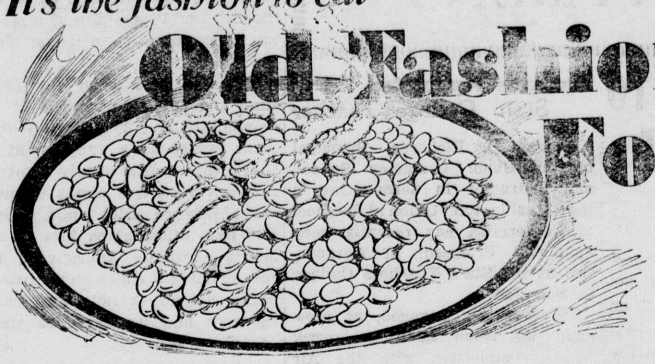
MacMARR'S
DEPENDABLE MODERN FOOD STORES

It's the fashion to eat

Old-Fashioned Foods



It's the fashion to eat oldfashioned foods now-a-days. Beans for instance—one of the best foods we have. They're delicious baked or boiled, and they are rich in body-building elements. MacMarr's is featuring beans today and tomorrow, together with many of the foods that go with them. Plan to enjoy a good treat of beans, prepared your favorite way.
